Dear Honey

Honey I am so sorry that I have not written you sooner. But the letters and cards I received from you are very comforting to me, and I do appreciate them. The picture I receive of you, make me feel that you are taking good care of yourself. Darling no wonder I am so much in love with you. For you are always in my thought each fasting day. Have you received the money I sent you as yet. Darling about the bed room suite I think it is a good idea. So brother Isaac has gotten marriage. And I think too she will make him a good wife. The weather over here is warmer and the snow is about melted.

Tell Mother and Dad I said to tell
them Dells. Working I do hope I will
be home soon. So she can take up where
we left off. But I do keep the memory
the month we were together.

From your husband
Charles
